

Special Urgent Announcement

On March 21, 2011 our beloved Sylvia Browne suffered a heart attack while in Hawaii. Sylvia was in Honolulu, HI for a lecture on March 18th and a Spiritual Salon on March 20th and was about to return home when this catastrophic event occurred. We do not yet know how long Sylvia will have to be hospitalized in Hawaii nor when she will be able to return to her normal work-related activities. At this time we are first asking for your prayers and positive thoughts for a speedy recovery in every way possible for Sylvia and secondly for the survival of her mission, embodied in our church, The Society of Novus Spiritus ©.

For over 25 years, Sylvia has primarily been financially responsible for the survival of Novus Spiritus and has literally put her heart and soul into this Gnostic mission and now she needs rest. It is now time for those that have been helped by Sylvia or the philosophy that she has brought to this life to help her by donating to her church. On behalf of Sylvia and everyone at Novus Spiritus we thank you for whatever support you can provide during this time of extreme need.
